

# Oracle OpenWorld INSIDE ACCESS PACKAGES

SEPTEMBER 18-22 | SAN FRANCISCO

## Maximize Your Oracle OpenWorld Stay

There's no other conference where you will have the opportunity to learn the key information you need to get the most out of your current and future Oracle investment.

### You will:

- Discover new product and technology solutions
- Improve technical proficiency and knowledge
- Learn tips and tricks for currently installed products
- Understand where the industry is headed

Whether you are an Oracle product expert or a decision maker, Oracle OpenWorld offers rich content and many networking opportunities.

### Get an Inside Access Package Only Available with Ataway!

Ataway can provide you with deeper access to Oracle OpenWorld. We offer unique packages to guide and enrich your stay, including strategic opportunities to meet with Oracle executives.

## Choose an Access Pass Below

### DECISION MAKER

You have a particular project you are currently working on, or at the horizon, and you want to meet with other customers using the solution as well as with Oracle product management. The Ataway team will create a personalized program for you so you can make the most of your experience of Oracle OpenWorld. We will provide strategic opportunities to meet Oracle executives and customers.

### PRODUCT EXPERT

You want to access experts from around the world to grow your skills and increase your productivity. At OpenWorld, you can develop your expertise through thousands of sessions, keynotes, demos and workshops. Ataway will help you select a unique program for the week, personalized to your needs during Oracle OpenWorld.
